Divine Mercy

"My Heart overflows with great mercy for souls (...). If only they could understand that I am the best of Fathers to them and that it is for them that the Blood and Water flowed from My Heart as from a fountain overflowing with mercy. For them I dwell in the tabernacle as the King of Mercy. I desire to bestow My graces upon souls, but they do not want to accept them (...). Oh, how indifferent are souls to so much goodness, to so many proofs of love! (...). They have time for everything, but they have no time to come to Me for graces" (Diary, 367).

"Tell sinners that no one shall escape My Hand; if they run away from My Merciful Heart, they will fall into My Just Hands. Tell sinners that I am always waiting for them, that I listen intently to the beating of their heart... When will it beat for Me? Write that I am speaking to them through their remorse of conscience, through their failures and sufferings, through thunderstorms, through the voice of the Church. And if they bring all My graces to naught, I begin to be angry with them, leaving them alone and giving them what they want" (Diary, 1728).

From the Diary of Sister Faustina
